Tuesday Challenge – Top 10 9 hole scores over the season on a Tuesday

Wednesday Sweep – Every week open to all, only seniors can win the trophy, top 10 scores count

Stableford Challenge – 5 stableford medals top 2 scores from any will win the shield

Greensomes - Greensomes is the name of a golf tournament format for 2-person teams, or a golf game played 2-vs.-2 within a group of four golfers. In Greensomes, both golfers on a team tee off, the one best drive is selected, and they play alternate shots from there.

Patsome - The six first holes are played in Four-ball, the next six in Greensome and the last six in Foursome. The final count of strokes is calculated as in Foursome.

Flag Event - Each player is given a small flag and is allocated a number of strokes equal to par plus 2/3 of his handicap. When the player runs out of strokes he plants his flag where the ball lands. The player who gets the furthest wins.

US Open Scramble (Members-Guest) - Each player in a team (of two, three or four players) tees off on each hole and the players decide which shot was best. Other players then pick up their ball and play their second shot from that position and the procedure is repeated until the hole is finished. The lifted balls must be placed within one scorecard's width of the selected position. If on the green, the balls are to be placed within one putter head of the marker.

Bogey Competition- This is an alternative to the Stableford and is, in effect, a matchplay competition in which the golfer plays a hole-by-hole match against par (bogey). Unlike a true match, the whole round is completed and the player records on each hole whether, after receipt of their handicap stroke(s) for the hole, they have won, drawn or lost against the bogey. A bogey competition is scored plus (+) for a score better than net par, zero (0) for a score of net par and minus (-) for a score worse than net par. At the end of the round the player records how many up or down they are against par. For example three up (+3) to six down (-6). This is a difficult form of competition with winning scores ranging from two up to three down.

Club Championship – Top 2 GROSS scores over the 18 hole medals from the start of the season

Handicap Championship - Top 2 NETT scores over the 18 hole medals from the start of the season

GK Revenge – An event where the green keepers set up the course in the most difficult way possible

Ryder Cup – Fun event in ryder cup format, one team vs another

Sec's Scramble – Rules presented on the day
