Ryderheim Cup – This will be an event where 2 teams will go out and play, some will play 4 ball better ball, some foursomes and some greensomes. Points will be awarded based on the games results, winning team will have bragging rights for the next year.

Stableford Events – Traditionally we would play for the Stableford Trophy over the Summer Season, however that hasn't happened, so in order to get a 2020 engraving done we will play it over the Winter months and the trophy will be played for as normal in 2021 Summer season. Over the next 4 months, members will be invited to submit a score on the designated day over 18 holes with your top 2 scores being added together and the winner being the player with the highest total

New Year Scramble – An annual event at Playsport Golf, just for fun. Teams will be made up of 3 or 4 players with a £5 per person sweep. Guest welcome.

While all events are planned as counter this may be altered due to winter greens potentially being on, should this be the case in the morning only then scores can count in the afternoon. Please check with reception staff on the status of the greens prior to heading out.
