9 holes, £10 entry per 3 or 4 man team. Team can be made up of members and non-members. Usual scramble rules and handicapping will be applied to each team.

Shamble

A shamble is a type of golf tournament that combines elements of a scramble with elements of stroke play. Like in a scramble, all members of a team (usually four) tee off and the best ball of the four tee shots is selected. All players move their balls to the spot of the best ball. From this point, the hole is played out at stroke play, with all members of the team playing their own ball into the hole.

Flag Event

Each player will be awarded a number of shots to complete their round (course par + course handicap) the winner will be the player who gets furthest round the 18 holes or has the most shots to spare at the end of their round
